A Structured Path to Confident Reading

You've just experienced the first step of our structured reading program. The Reading Squirrel Club is a monthly subscription designed to prepare children ages 4–6 for school — calmly and confidently.

We focus on reading first — because reading unlocks everything else. But we build more than reading.

Inside the Club

- Step-by-step phonics progression
- Reading + Writing + Math + Life Skills
- Clear weekly structure
- Printable and iPad-friendly pages
- Parent guidance and progress tracking

No random worksheets.
No overwhelm.
Just steady progress.

School Readiness Without the Headache

We combine systematic phonics, Montessori-inspired independence, and developmentally appropriate practice to build real skills — without pressure.

Children grow capable without losing joy.
